By leaving your pet with the Northwoods Humane Society, you will forfeit all rights, title and interest in the animal(s) to the humane society. **Take the decision to surrender your pet very seriously!** We evaluate each animal for possible placement, and place as many animals as possible; however the animal may be humanely euthanized if a serious temperament and/or health issue is found.

As custodian acting in good faith, I irrevocably give the above animal(s) to the Northwoods Humane Society. By doing so, I cannot take the animal(s) back into my care unless I adopt the animal(s) at the full adoption cost. NHS will not release animal(s) until the animal(s) is ready for adoption. At that time, I am able to take the animal(s) back into my care by meeting adoption requirements and paying all fees.

I understand that the Northwoods Humane Society will not be able to provide any information about this animal to me in the future. To my knowledge this animal has not bitten anyone in the preceding ten (10) days.
