*"We are excited about participating in the Northwoods Legacy program to support all the work they do locally to help cats & dogs in our area. They not only help the animals but are a great resource to all pet owners and also branch out to help other shelters in need. We hope their work continues and being part of the Legacy program can help make that happen."*

*- Barb and Bob*

*"We are so very grateful for Northwoods Humane Society--a favorite charity of ours for over twenty years! Care, concern, comfort and compassion is given to each needy animal that comes through Northwoods doors until they're ready with renewed hope in finding a new home."*
